Case No. AP-91-41

By Order No. 3874, served January 6, 1992, the Commission conditionally granted the above-captioned application, contingent upon applicant's compliance with the requirements of that order within 30 days or such additional time as the Commission may direct or allow.

Applicant filed the required documents piecemeal on several different dates. The last two items were filed after the 30 days had expired. By letter filed February 28, 1992, which letter transmitted the final item, applicant requests an extension of time as necessary to accommodate the late-filed documents. For good cause shown, the requested extension is granted.

IT IS SO ORDERED.
